## **Notices**

### **Commissary and AAFES**

Normal hours for AAFES and the Commissary resume Nov. 22.

### **Wing All Call**

The Wing All Call is scheduled for 3:15 p.m. November 26 at the Base Theater. There is a possibility it may begin at 2:45 p.m. More details to be released as they are available.

### **Resiliency Day**

November 27th, the 8th Fighter Wing will hold Resiliency Day--It will look much different from the Wingman Days of the past. The intent is to get people thinking about resiliency, and what it takes to be resilient. Most of the wing will stop operations and travel off-base to interact with, and give back to the local community. Each unit will have specific times and places to meet. Transportation will be provided. Your unit POC will tell you what it is that you will be doing. At the end of the day, the wing will come back together on base and celebrate a Thanksgiving dinner together, as the Wolf Pack family that we are. We believe that this unconventional approach to a "Resiliency Day" will be a much more effective way to get our Airmen thinking about what it is that makes us resilient. Resiliency begins with purpose ... what's yours?

### **Liberty Policy for U.S Military Forces in Japan (Permanent/TDY/TAD/Leave)**

Important information if you plan to travel to Japan. See memorandum on the 8 FW PA Sharepoint for details.

### **Misuse a Government Travel Card — Why Bother?**

We all know that misusing your GTC is a bad decision. First, we receive training about when and for what we can use the card. Second, we know the bill goes straight to our unit, so any misuse will be quickly caught. Yet, some Airmen continue to misuse their GTCs.

You may only use your GTC during official travel — a PCS, TDY, or deployment — for expenses related to that travel, such as airfare, taxi, lodging, and food. Once you've arrived at Kunsan AB from your PCS travel, you are no longer authorized to use the card or take cash advances off it. And even during transit, it's not okay to use your GTC for unrelated expenses. If you have questions about GTC misuse, please call Capt. Hee Lee.

### **Thanksgiving Safety Reminder**

Turkey fryers must always be used outdoors and located a safe distance from buildings and any other flammable materials. Follow these tips if you are frying a Turkey:

- Never use turkey fryers on wooden decks.
- Make sure the fryers are used on a flat surface to reduce accidental tipping.
- Never leave the fryer unattended.
- To avoid oil spillover, do not overfill the fryer.
- Use well-insulated potholders or oven mitts when touching pot or lid handles.
- If possible, wear safety goggles to protect your eyes from oil splatter.
- Be responsible and have a Happy Turkey Day!

For more information, contact the Safety Office at 782-4557.
